SUMMARY: SR is announcing a Pre-Application Conference for organizations wishing to be considered as the entity to establish and support a Water Resources Center for the Central Savannah River Area (CSRA). The conference is scheduled for Tuesday, April 18, 1995, at the Savannah River Site (SRS), Aiken, SC, commencing at 8:30 a.m. and completing by 5:00 p.m. In addition to discussion regarding the objectives of the Water Resources Center and the criteria which will be used to select the applicant, the conference will also offer a tour of the Savannah River Technology Center whereby participants will have an opportunity to become familiar with available technologies. A solicitation for the Water Resources Center will be made available on or about March 31, 1995.

SUPPLEMENTARY INFORMATION: The Water Resources Center is intended to be a private sector developed and operated project. Government interest in this project is in stimulating the economic development of the region surrounding federal facilities by providing initial financial assistance and access to technology developed at federal facilities using federal funding. The proposed center will be located in the CSRA in one of the following counties: Aiken, Barnwell, Allendale in South Carolina; or Columbia, Richmond in Georgia. The designated location of this center is to facilitate development of a partnership between SRS, the Savannah River

Technology Center, and industry in the area of water resources.

The SR Office of Technology Development has agreed to provide financial assistance to initiate establishment of a Water Resources Center. Funding for this initiative will be in the form of a Grant as provided by the Federal Grant and Cooperative Agreement Act of 1977 (Public Law 95-224).
